Ny - lon Co - ver - in' bo - dy smoth - er - in' would you like to know my thoughts?

You do your per - u - sin' and you work your il - lu - sion as you watch me walk my walk

Se - duc - tion is your con - quering right you think ten min -

utes took all night the on - ly thing you for - get is that you paid my price

and you think that you're a - wake Shame - ful wo - man

how you like to say that you'd kill your daughter if she'd be like me and

no one will blame you for that Home you drive to your

house out of town Sor - ry dear that meet - ing it kept me a - round

Fan - ta - sy bring you back to the likes of me as the poor trapped girl brings you your

eve - ning tea (tea and fan - ta - sy!) Ny - lon Co - ver - in' bo - dy

smoth - er - in' would you like to know my thoughts? Your dear sweet wife has

in - sured her life through marriage in your house long as she acts dumb

and re - la - ti - ve - ly numb ex - cept when she sees a mouse Need - ing you is

es - sen - tial 'cause you're so big and strong with all mat - ters

ex - ist - en - tial She's not too bright but you're nev - er wrong

Ny - lon cov - er - in' bo - dy smoth - er - in' she goes with you to see some friends

Fool - in' and grin - in' all the oth - er wo - man make you

think of me a - gain Not right here and not right now I

know I'm ir - re - sist - i - ble last ho - ly cow

Ny - lon cov - er - in' Bo - dy smoth - er - in' where is my wife?

What is this here? She wis - pers in the ear of a man I hard - ly know?

Look - in' so charmed poor girl's been dis - armed I think we'd better go.

You see my dear the man's a hun - ter Just fol - low -

ing af - ter his lusts. Just a heel who wants to feel

Wo - man can't un - der - stand these things with this I hope we're a -

grund for them sex is a good wife's du - ty for men it's a health - y

need A coup - le of drinks and a co - zy talk  
 would you like to go to bed? I know you're glad that I've saved your vir - tue  
 when you were out of your head And just to show you I'm not  
 ang - ry I'm real - ly gon - na love you good Just let's close  
 your eyes a little so we can cre - ate the mood  
 min - utes - grow as po - ten - cy falls as the roar be - comes  
 a snore Big strong vir - ile hun - ter man can't de - li - ver an -  
 y - more But next day he'll be on the job  
 Chas - ing se - cre - ta - ries from be - hind meet - ing me in the  
 u - su - als place where I'll a - gain de - lude his mind  
 But for now the good wife watch - es as he grumbles through his dreams dis -  
 traught Sleep the pan pus hun - ter deep
