(English lyric by Lani Hall)

A: Now the world is empty faces that I see,
Don't care to ever know love.
You gave to me so much when morning made our song,
and now it seems so far.

C: Oh, what can't I mean for stars? The song it means too much.
So many things to know when twilight seems to go
The long night just for dreams, you say to me, "Again . . ."

C: Oh, just say to me, "Again." Look only for the sun.
I can't believe you're gone. No, never would we try.
Our hands would dance the way, without the time to cry.

A: Now I see the night-time shadows breaking over
dreams that have no more to say.
If time will pass I'll wait for you until
and then I'll wait for you again.

(No 3rd Verse in English lyric.)
