From the Musical "BILLY"

Music by JOHN BARRY

Brightly

Could-n't you bust, how can they be just
Shop-ping with stamps and rub-bing their cramps,
Car-ry-ing bags, smok-ing their fags,
Rid-ing in tubes and pad-ding their boobs. } hap-py to be them-selves.

They look so odd, like
Cook-ing their stews and
Hav-ing a snooze
I'll bet they cough when

peas in a pod,
drink-ing their booze,
stand-ing in queues,
hav-ing it off, } hap-py to be them-selves.

No-where to go but still ev-er so
Darn-ing their socks and watch-ing the box,
Wait-ing like fools for Lit-tle-wood's Pools
Writ-ing in bags, walk-ing their dogs

hap-py to be them-selves. Noth-ing to see what makes'em all be
Sav-ing their brass, cut-ting their grass,
Eat-ing their chips and lick-ing their lips,
They're in a mess but could-n't care less, } hap-py to be them-selves.
