

A MELODY FROM THE SKY

From the Film "TRAIL OF THE LONESOME PINE"

SIDNEY D. MITCHELL and LOUIS ALTER

Love is ev-'ry-where. Its mu-sic fills the air. All na-ture seems to hum A
 mel-o-dy from the sky! O-ver on the hill I see a whip-poor-will
 I hear his song be-come a mel-o-dy from the sky! And there's a blue bird
 sing-ing to his la-dy love, a-bove, A love song tak-en from the whisp-r'ing breeze
 In the trees, Love is ev-'ry-where. Its mu-sic fills the air
 All na-ture seems to hum A mel-o-dy from the sky!

MY STAR From the Musical "ALL KINDS OF GIANTS"

Lyric by TOM WHEDON
 Music by SAM POTTLE

I have a star, a spe-cial mag-ic star, It shines a-
 bove my bed ev-'ry night. I know it's there when I a-rise each morn-ing,
 Though I can't see it, I can feel its light. Look down, my
 star, look down and shine on him, Pro-tect his path and bright-en his
 day. And if you can, please try and see that one day he re- turns to me. Go
 far, my star, and light-en his way.
