That old black mag - ic has me in its spell. That old black mag - ic that you weave so well.

Those i - cy fin - gers up and down my spine. The same old witch - craft when your

eyes meet mine. The same old tin - gle that I feel in - side And then that el -

e - va - tor starts its ride And down and down I go, 'round and 'round I go

like a leaf that's caught in the tide. I should stay a - way but what can I do

I hear your name and I'm a - flame, A - flame with such a burn - ing de - sire

that on - ly your kiss can put out the fire. For you're the lov - er I have wait - ed for.

The mate that fate had me cre - at - ed for And ev - 'ry time your lips meet

mine Dar - ling down and down I go, 'Round and 'round I go in a spin,

Lov - ing the spin I'm in Un - der that old black mag - ic called love!

A rose must re - main with the sun and the rain or its love - ly prom - ise won't come true. To

good is a song if the words just don't be - long and a dream must be a dream for two. No

flame is to grow there must be a glow. To o - pen each door there's a key. I need you I know I

can't let you go, Your touch means too much to me. Two lips must in - sist on two more to be kissed or they'll

nev - er know what love can do. To each his own. I've found my own one and on - ly you.
