

WHISPER NOT

BENNY GOLSON and LEROY ANDERSON

Sing low, sing clear sweet words in my ear, Not a whisper of despair, until you bring back the thrill of a sentimental tune but love's own pray'r. Sing on that died too soon.

Our har-mo-ny was lost but you for-gave I for-got Whis-per

Not of quar-rels past, You know we've had our last! So now we'll be on key

con-stant-ly, Love will whis-per on e-ter-nal-ly.

Why did we lis-ten when they said it would-n't last? Gos-sip-ing voi-ces made us

Whis-pers of trou-ble are an ech-o of the past, All it-'ll take to lose my

break up but you know we still can make up if we for-get 'em all, and ana-der

gloom is just a Whis-per Not of ru-mors, but of your love for me, That's how it's

1. Cu-pids call It's the truth 2. got to be! D.S. al fine

WHEN THE PARTY IS OVER

ROBERT JOHN and MICHAEL GATELY

I don't mind you hav-in' a good time, be-in' free, But I don't like you Now I find it hard not to hear you close the door. And each night I

tast-in' some new wine with-out me. For al-though I real-ly love you, I still am a man find my-self wait-in'; I walk the floor. And though I've had time for think-in', I find I still care,

And my heart is break-in' from all I been tak-in'. Oh, girl, can't you see what you're do-in' to me? Oh, But

when the par-ty is o-ver You might find you're a-lone. Oh, when the par-ty is o-ver

There might be no one at home. Ooo. D.S. and fade
