You are nev - er a - way from your home in my heart; —
There is nev - er a day when you don't play a
part In a word that I say Or a
sight that I see. You are nev - er a - way and I'll nev - er
be free You're the smile on my
face or a song that I sing; You're a rain - bow I chase on a
morn - ing in Spring; You're a star in the lace of a wild wil - low
tree, in the green leaf - y lace of a wild wil - low tree.
But to - night you're no star Nor a
song that I sing In my arms where you are, you are
sweet - er than Spring; In my
arms where you are Cling - ing close - ly to me
You are love - li - er by far, than I dreamed you could
be You are love - li - er, my dar - ling
than I dreamed you could be!
