

A Sleepin' Bee

Music by Harold Arlen
Lyric by Harold Arlen
& Truman Capote

Med. Swing

A

When a bee lies sleep-in' in the palm of your hand, you're be-witched and deep in love's long looked af-ter land; Where you'll see a sun-up sky with a morn-in' new, And where the days go laugh-in' by as love comes a-call-in' on you.

B

Sleep on, Bee, don't wak-en, can't be-lieve what just passed, He's mine for the tak-in', I'm so hap-py at last; May-be I dream, but he seems sweet gold-en as a crown, A sleep-in' bee done told me I'll walk with my feet off the ground when my one true love I have found.
