Lyric:

When lovers make no rendezvous
To stroll along Fifth Avenue,
When this familiar world is through
Will you still be mine?

When cabs don't drive around the park,
No windows light the summer dark,
When love has lost its secret spark
Will you still be mine?

When moonlight on the Hudson's not romancy
And spring no longer turns a young man's fancy.

When glamour girls have lost their charms,
When sirens just mean false alarms,
When lovers heed no call to arms
Will you still be mine?
