Lyric at letters B and C, last time:

Life is like a school,  
And some folk never learn the rules.  
But here we are,  
Much wiser now than we were then,  
And it all goes 'round and 'round.

No way to turn back the time,  
Endlessly spinning around.  
With each brand new day  
We leave some youth behind  
And it all goes 'round and 'round.

Melody is freely interpreted.

On recording, letter C and the Coda are 1/2 step higher the last time.  
On recording, solo is letter A only, vocal in at letter B.
