Second & Third Verses

2. For you, love might be a toast of wine,
But with each sparkle know the best for you
I pray.
For you, love might be for you to find,
But I will celebrate our love of yesterday.

3. For you, there might be another star,
But through my eyes the light of love is all
I see.
For you, there might be another song,
But in my heart your melody will stay with me.
