haps then you'd re - a - lize I'm still in love with
that's quite im - pos - si - ble. I'm still in love with

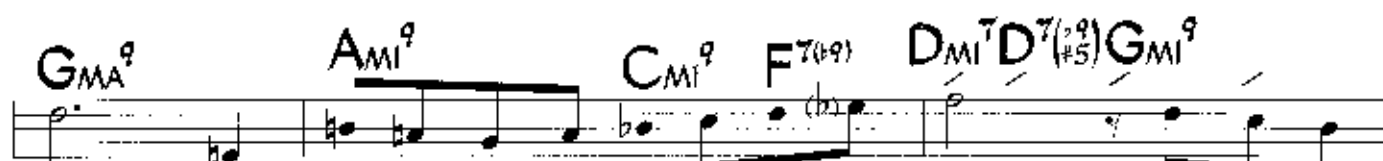

you.

you.

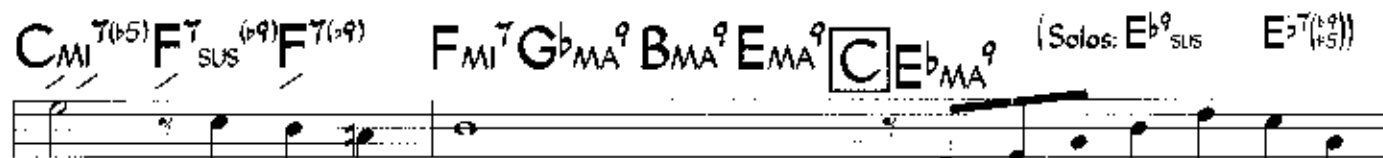

You'll

hap - pen my way on some mem - 'ra - ble day and the month will be May for a

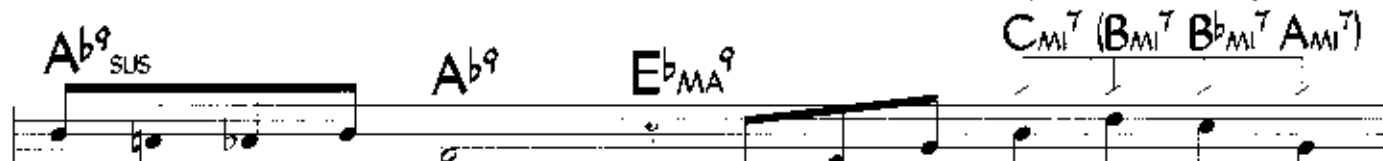

while. I'll try to smile but can I play the part with - out my

heart be - hind the smile?

The way I feel for you I

nev - er could dis - guise.

The look of love is writ - ten

plain - ly in my eyes. I think you'd be mine a - gain
