2nd verse:

If I'm with friends and we should meet,
 Just pass me by, don't even speak,
 And know the word's "discreet" when part-time lovers.
 But if there's some emergency,
 Have a male friend to ask for me,
 So then she won't peek, (it's really you) my part-time lover.

3rd verse:

I've got something that I must tell,
 Last night someone rang our doorbell
 And it was not you, my part-time lover.
 And then a man called our exchange,
 But didn't want to leave his name,
 I guess that two can play the game of part-time lover.
