Vamp & Fade

As played on Flora Purim's "Butterfly Dreams"

Kicks are played during solos

SECOND VERSE:

Morning came again,
 Together, here we are,
 Sharing the afterthoughts
 And all the time we lost.
 I smiled to you,
 You held me tight,
 You kissed me,
 Never felt like this before,
 And that love came back to us.
 Then I saw a million stars,
 Love is here to stay.
